

BIKERSTM

We are the top manufacturer & supplier of automotive & industrial lubricants, petroleum jelly, rubber process oils, ink process oil & lubrication greases, transformer oil, textile oil and a variety of specialties.

The Right Oil For Long-lasting Performance.

TECNOIL BRAKE FLUID DOT-III

AVAILABLE SIZE

210,50,26,20,5,1,0.5,0.25,0.1 LTR

Product Description:

TECNOIL BRAKE FLUID DOT-III is a premium quality heavy duty hydraulic break fluid process from selected ingredients and balance with a combination of antioxidant and metal deactivator and corrosion inhibitor.

Applications:

Recommended for disc and drum hydraulic break system of all passenger cars, trucks, tractors, busses and heavy duty vehicles.

TECNOIL BRAKE FLUID DOT-IV

AVAILABLE SIZE

210,50,26,20,5,1,0.5,0.25,0.1 LTR

Product Description:

TECNOIL BRAKE FLUID DOT-IV is a premium quality heavy duty hydraulic break fluid processed from selected ingredients and balance with a combination of antioxidant and metal deactivator and corrosion inhibitor.

Applications:

Recommended for disc and drum hydraulic break system of all passenger cars, trucks, tractors, busses and heavy duty vehicles.

TECNOIL HYDRAULIC-68 AW

AVAILABLE SIZE

210,50,26,20,10,5,1 LTR

Product Description:

TECNOIL HYDRAULIC-68 AW is blended from selected base oil with antiware additives.

Applications:

Recommended for hydraulic system, moderately loaded gears and bearing lubricated by circulation and bath-ring oiling.

TECNOIL HYDRAULIC-32 AW

AVAILABLE SIZE

210,50,26,20,10,5,1 LTR

Product Description:

TECNOIL HYDRAULIC-32 AW is blended from selected base oil with antiware additives.

Applications:

Recommended for hydraulic system, moderately loaded gears and bearing lubricated by circulation and bath-ring oiling.

BIKERS ACTIVE HONDA 20W-40 4T

AVAILABLE SIZE

210,50,26,20,10,1.2,1,0.9 LTR

Product Description:

BIKERS ACTIVE 4T 20W40 is blended from base oils and selected additives to protect engine life.

Applications:

Recommended for new generation 4-stock bike engine of all leading manufacturers.

BIKERS ACTIVE STRONG

AVAILABLE SIZE

210,50,26,20,10,1.2,1,0.9,0.8 LTR

Product Description:

BIKERS ACTIVE STRONG 4T 10W40 is blended from superior quality high viscosity index synthetic base oils and additives to protect engines.

Applications:

Recommended for new generation Bs6 4-stock & Racing bike engine of all leading manufacturers.

BIKERS EXTRA POWER 20W40

AVAILABLE SIZE

210,50,26,20,10,1.2,1,0.9 LTR

Product Description:

BIKERS EXTRA POWER 4T 20W40 is blended from superior quality high viscosity index primum base oils and additives to protect engines.

Applications:

Recommended for new generation 4-stock bike engine of all leading manufacturers.

BIKERS ACTIVE HONDA 5W-30 4T

AVAILABLE SIZE

210,50,26,20,10,1.2,1,0.9,0.8,0.6LTR

Product Description:

BIKERS ACTIVE 4T 5W30 is blended from superior quality high viscosity index base oils and additives to protect engines.

Applications:

Recommended for new generation 4-stock Bs6 scooter engine of all leading manufacturers.

BIKERS ACTIVE HONDA 10W-30 4T

AVAILABLE SIZE

210,50,26,20,10,1.2,1,0.9,0.8 LTR

Product Description:

BIKERS ACTIVE 4T 10W30 is blended from synthetic base oils and selected additives to protect engine life.

Applications:

Recommended for new generation 4-stock scooter engine of all leading manufacturers.

BIKERS ACTIVE HONDA 20W-50 4T

AVAILABLE SIZE

210,50,26,20,2.5,1.5,1.2,1, LTR

Product Description:

BIKERS ACTIVE 4T 20W50 is blended from superior quality high viscosity index base oils and selected performance additives to protect engine life.

Applications:

Recommended for new generation 4-stock bike & three wheeler engine of all leading manufacturers.

TECNOIL BULLET 15W50

AVAILABLE SIZE

210,50,26,20,10,5,3,2.5,1 LTR

Product Description:

TECNOIL BULLET 15W50 is high performance heavy duty bullet engine oil specially developed for low emission vehicle.

Applications:

Recommended for Bullet & new generation bike.

TECNOIL TURBO 15W40

AVAILABLE SIZE

210,50,26,20,15,10,7.5,6,5,3.5,3,1 LTR

Product Description:

TECNOIL TURBO 15W40 is high performance heavy duty diesel engine oil specially developed for low emission vehicle.

Applications:

Recommended for application in on-off highway trucking application operation in high speed/high load and short haul pickup/delivery vans, construction, mining and agriculture.

TECNOIL EXTRA POWER CNG 20W50

AVAILABLE SIZE

210,50,26,20,1.5,1 LTR

Product Description:

TECNOIL CNG AUTO 20W50 formulated from selected base oils & additives to provide superior engine life.

Applications:

Light vehicle on CNG, LPG or propane and operating under moderate service condition other spark lighted gas engine likes CNG Auto.

TECNOIL MAGNATEC 5W30

AVAILABLE SIZE

210,50,26,20,15,10,7.5,6,5,3.5,3,1 LTR

Product Description:

TECNOIL MAGNATIC 5W30 rally synthesized hydrocarbon tese all technology and latest advanced odctive technology to provide excellent performance for modern car

Applications:

Recommended for new generation Diesel, Petrol&CNG car

TECNOIL GOLD 2T OIL

AVAILABLE SIZE

210,50,26,1,0.5 LTR

Product Description:

TECNOIL CNG 2T is premium quality lubricants specially developed for high powered 2-stroke air cooled CNG engine.

Applications:

Recommended for 2-stroke motorcycle, scooters & auto.

TECNOIL 20W40

AVAILABLE SIZE

210,50,26,20,15,10,7.5,6,5,3.5,3,1.5,1 LTR

Product Description:

TECNOIL MULTI-G 20W40 is heavy duty diesel engine oil. It is formulated from highly vergine base stocks and selected additives to provide reliable protection to engine under various environment.

Applications:

This oil recommended on-off highway application including light and heavy duty tractor, mining, construction, agriculture and other such performance.

GOLDEN RACER CONCENTRATE COOLANT

AVAILABLE SIZE

210,50,26,20,10,7.5,5,1 LTR

Product Description:

GOLDEN RACER CONCENTRATE COOLANT is a long life concentrate radiator coolant prepared from borate, silicate, phosphate and amine free selected ingredients.

Applications:

Recommended for use in radiation of passenger cars, jeeps, vans, tempos & all type of D.G. Sets and other off highway equipments. 1:3 (COOLPLUS:D.M.WATER)

TECNOIL TQ ATF

AVAILABLE SIZE

210,50,26,20,10,5,3,5,3,1,0.5 LTR

Product Description:

TECNOIL TQ ATF is blended high VI base oils with special additives to provide controlled friction or lubricated characteristics.

Applications:

Recommended for use passenger cars and light truck automatic transmission, power steering and hydraulic system.

TECNOIL TRUCK LIFE 15W40

210,50,26,15,10,7.5,6,5,3,5,3,1.5,1.2,1 LTR

Product Description:

TECNOIL TRUCK LIFE 15W40 is high performance heavy duty diesel engine oil specially developed for low emission vehicle.

Applications:

Recommended for application in on-off highway trucking application operation in high speed/high load and short haul pickup/delivery vans, construction, mining and agriculture.

TECNOIL GEAR OIL EP-90

AVAILABLE SIZE

210,50,26,20,5,1 LTR

Product Description:

TECNOIL SUPER GOLD EP-90 is blended with base oil and selected extreme pressure additive, having high viscosity index.

Applications:

Lubrication of axle and mechanical transmission system of cars, buses, trucks & tractors.

BIKERS MP-3 GREASE

AVAILABLE SIZE

180,18,10,5,3,2,1,0.5,0.2 KG

Product Description:

BIKERS MP-3 GREASE is premium quality multi functional calcium, soap base grease.

Applications:

Recommended for chassis lubrication as cars, trucks, tractor, buses, jeeps, pickup & general applications.

BIKERS FORK OIL

AVAILABLE SIZE

210,50,26,0.35,0.175 LTR

Product Description:

BIKERS FORK OIL is shock absorber oil with excellent dumping effect.

Applications:

Recommended for Telescopic shock absorber as 2 wheeler, auto etc.

BIKERS GEL GREASE

AVAILABLE SIZE

210,50,26,0.35,0.175 LTR

Product Description:

BIKERS GEL GREASE is advance quality complex soap based high temperature crystal gel type grease processed from selected base oils & chemicals.

Applications:

Recommended for lubrication of automotive chassis bearing fitting as passenger cars, vans trucks, tractor, buses, jeeps, pickup & general application.
